Re: Request for Information Pursuant to Section 104(e) of CERCLA and Section 3007 of RCRA, for the Powell Road Landfill in Huber Heights, Ohio.

Dear Sir or Madam:

The United States Environmental Protection Agency (U.S. EPA) is currently investigating the source, extent and nature of the release or threatened release of hazardous substances, pollutants or contaminants on or about the Powell Road Landfill. It includes a 40 acre area south of Powell Road and north of the Great Miami River in southwest Huber Heights, Ohio. This investigation requires inquiry into the generation, storage, treatment and disposal of such substances that have been or threaten to be released at the Site.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response Compensation and Liability Act (CERCLA), 42 U.S.C. Section 9604 (e), as amended by the Superfund Amendments and Reauthorization Act of 1986, Pub. L. 99-499, and pursuant to Section 3007 of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. Section 6927, you are hereby requested to respond to the Information Requests enclosed. Compliance with the enclosed Information Request is mandatory. Failure to respond fully and truthfully to each and every Information Request within forty-five (45) days of receipt of this letter, or to adequately justify such failure to respond, can result in enforcement action by U.S. EPA pursuant to Section 3008 of RCRA under which U.S. EPA may seek the imposition of penalties of up to twenty-five thousand dollars (\$25,000) for each day of continued non-compliance, and/or pursuant to Section 104(e) (5) of CERCLA which, as amended, authorizes the United States to seek penalties from a Federal court of up to \$25,000 for each day of continued non-compliance. "Non-compliance" is considered by U.S. EPA to be not only failure to respond to the Requests but also failure to respond completely and truthfully to each Request. Please be further advised that provision of false, fictitious, or fraudulent statements or representatives may subject you to criminal penalties of up to ten thousand dollars (\$10,000) or up to five (5) years of imprisonment or both under 18 U.S.C. Section 1001.

The United States Environmental Protection Agency has the authority to use the information requested herein in an administrative, civil or criminal action. This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. 3501, et seq.
